The Veterans Memorial at Patriots Point on Lake Acworth is being constructed and dedicated as a tribute to all men and women who have served in America's military forces. This picturesque setting will be the backdrop for one of the most original memorial designs of its kind.

The service flags of the Army, Navy, Marine Corps, Air Force and Coast Guard will surround the American Flag. The concrete domed structure will be surrounded by a paver walkway. Both veterans and civilians alike will be able to participate in its construction by purchasing a 4"x 8" paver that includes up to 3 lines with 18 spaces or an 8"x8" paver which includes 4 lines with 18 spaces.
